THE GALOPINA EXPERIENCE

At Galopina, we believe the best celebrations happen around the table.

Every celebration is designed to feel relaxed, intimate, and deeply connected to the place. Through food cooked over fire, beautiful surroundings, and meaningful moments shared with the people you love, we create experiences that feel simple, genuine, and unforgettable.

SURROUNDED BY NATURE. DESIGNED FOR TOGETHERNESS.

For a few days, Galopina becomes yours.

Reserved exclusively for friends and family, Galopina offers five private suites surrounded by seven hectares of nature, where complete privacy meets the attentive hospitality of a boutique house-hotel dedicated entirely to you.

Each morning begins with breakfast and coffee. While you explore, relax by the pool, or simply enjoy being together, our team takes care of every detail, from your suites and the house to snacks, cocktails, drinks, and private dinners whenever you wish.

Galopina was created around a simple idea: when every detail is taken care of, the only thing left to do is enjoy the people you're with. Because the most meaningful journeys are defined not only by the places you discover, but by the moments you share together.

CELEBRATE INTIMATELY, WITH LOVE AT THE CENTER.

WHAT WE OFFER

Event spaces: Woven into the natural landscape. Intimate outdoor settings immersed in nature, illuminated by string lights, framed by vegetation, warmed by fire pits, and crowned by starlit skies.

Photography: We can provide a curated list of photographers, each with a unique artistic vision and a sensitive approach to capturing meaningful moments.

Accommodation:

Galopina features five thoughtfully designed suites, created to offer comfort, privacy, and deep relaxation. Immersed in nature.

Common areas: swimming pool, the bar, the terrace, two bonfires and trails.

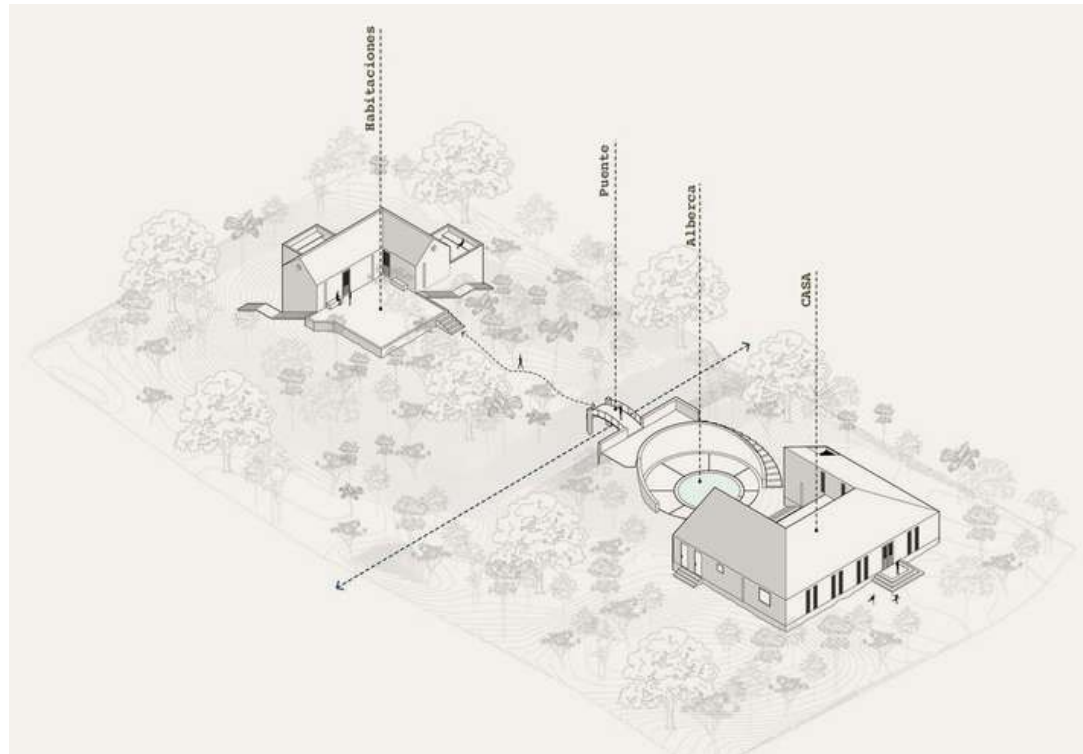

Cuisine: Our culinary experiences are custom-designed for each couple. Menus are created by chefs who share our philosophy, focusing on thoughtful, seasonal, and memorable dining experiences that honor the moment being celebrated.

Celebration Planning &

Coordination: We collaborate with a carefully curated selection of local vendors, including makeup artists, florists, musicians, lighting and sound professional, and more. To create something truly bespoke, a preliminary meeting is essential.
